DANISH SADEEQ SHAH

hajisadeeq884@gmail.com | +91 6006606523 | linkedin.com/in/danish-sadeeq-922b453a0

PROFESSIONAL SUMMARY

Computer Science & Engineering student and aspiring full-stack developer with a strong foundation in Data Structures, Algorithms, and Operating Systems. Skilled in the MERN stack (React, Node.js, MongoDB) with hands-on project and internship experience. Growing interest in Cyber Security, Computer Networking, and scalable system architecture. Strong analytical thinker with a track record of turning core CS fundamentals into working software.

EDUCATION

Baba Ghulam Shah Badshah University *2024 – 2028 (Ongoing)*
B.Tech in Computer Science & Engineering

Markaz HSS School *Completed 2024*
Higher Secondary Education (12th) — 87%

Markaz HSS School *Completed 2022*
Secondary Education (10th) — Grade A+

PROJECTS

Student Portal — Full-Stack Web Application
Live Link: https://studentportal-one-wheat.vercel.app/

- Built a full-stack student portal using the MERN stack (React, Node.js, Express, MongoDB), covering both front-end UI and back-end API/data layers.
- Designed and implemented core features for student data management, with a responsive interface and RESTful backend integration.
- Deployed the application on Vercel, gaining practical experience with the end-to-end web deployment workflow.

INTERNSHIP EXPERIENCE

Full-Stack Web Development Intern — IIT Jammu

- Completed a hands-on internship in full-stack web development, applying MERN stack skills to real project tasks.
- Collaborated on building and testing web application features, strengthening practical skills in React front-end development and Node.js/MongoDB back-end integration.
- Gained exposure to real-world development workflows, version control, and collaborative coding practices.

SKILLS

Programming Languages: C, C++, Python

Web Development: HTML, CSS, JavaScript, React, Node.js, MongoDB

Core Computer Science: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Operating Systems (OS)

Systems & Networking: Computer Networking (Ongoing), Linux & Unix, System Architecture Fundamentals

Soft Skills: Analytical Thinking, Problem Solving, Technical Communication
